Don't Go

Bluegrass Singers

Verse 1:
Thereâ€™s a road thatâ€™s dark and lonesome and once youâ€™re gone there is no return
Thereâ€™s still forgiveness and redemption but there is consequence and hard lessons learned
Yes God can pick up the broken pieces of shattered lives layinâ€™ on the ground
And God will mend them so the pain eases itâ€™s scars will still remain where you have fallen down

Chorus:
Donâ€™t go
Donâ€™t go
Donâ€™t go down that long and lonesome road

Donâ€™t go
Donâ€™t go
If you take that road, youâ€™re going it alone.

Instrumental

Chorus:
Donâ€™t go
Donâ€™t go
Donâ€™t go down that long and lonesome road

Donâ€™t go
Donâ€™t go
If you take that road, youâ€™re going it alone.

Verse 2:
God is able, and He is willing to overcome where we have failed
Just call upon the name of Jesus and youâ€™ll see two set of footprints on your trail
Cause He will walk beside you and lead to pastures that are green
But even with his healing some scars will always be seen

Chorus:
Donâ€™t go
Donâ€™t go
Donâ€™t go down that long and lonesome road

Donâ€™t go
Donâ€™t go
If you take that road, youâ€™re going it alone.
