

If I Told You That I Love You (feat. Wale)

Steve Aoki

Ey, if I (Steve Aoki), if I
If I told you that I love you
Ey, if I told you that I love you
Would you think I'm lyin'?
Tell you that I love you Niggas that been through it all
Catch me a body on many a song
I like a bitch with a body and mind
I climb in her eyes to get to them draws
Hot as July on a Wimbledon court
How 'bout a ride? The windows go up
Holler or holla?
Then call the promoter
Pull up and I go and then turn that bitch up
Caught me a body in many a club
Want a Bugatti, I'm spending too much
Wanna do Molly then holler Ibari
But trust me you want it you gonna be up
Handle my business get rid of these boys
Ask all my haters come gimme some more
Never was trapping but I got that crack
And that Bando was jumping like instrument stores
If I told you that I love you, love you
Would you think I lied?
If I told you that I love you
'Cause I will fuck with you
If I told you that I love you, love you
And I tell you that I love you, love you, love you 'Cause I will fuck with you
'Cause I will fuck with you
And you, and you, and you, and you
(I love you, I love you)
'Cause I will fuck with you
(I love you, I love you)
Ey, nigga who's been through it all
Catch him a body I give him a call
Catch me somewhere with that positive vibe
The moon and the sky, I'm stunnin' 'em all
Trust me Lil youngin' the summer is odd
Fucking with the power plug of a chord
Stunting, stunting, stunting, stunting so hard

Think I'm finna get my body insured, yeah
Stop being jealous, no, I'm not a killer but I got me a gun, yeah
I'm shining forever the prodigal son of the diamond I'm from
I'm just a chip from the diamond I'm from
Got popular young when rapping was fun
Show off my nigga, go show off my nigga
You show out enough, they clap and applaud
If I told you that I love you, love you
Would you think I lied?
If I told you that I love you
'Cause I will fall with you
If I told you that I love you, love you
Would you think I lied?
If I tell you that I love you, love you, love you
'Cause I will fuck with you
'Cause I will fuck with you
And you, and you, and you, and you
(I love you, I love you)
'Cause I will fuck with you
(I love you, I love you)
