

Kiss The Girl

Stevie Hoang

Yeah, haa, you know what you got to do
You got to kiss the girl
Yeah you see her, sitting ever across her way,
She will never let to say but it is something about her,
And it's all know why, but you're dying to try, you wanna kiss the girl,
Yeah, she wants her, look her you know you do,
Expressable she wants you too
It's one way to ask her, and take a word, not a single word,
Don't wanna kiss the girl.
Sha la la la la, my ohh my,..the boy too shy and gonna kiss the girl,
Sha la la la la , ain't that sad, they even ashamed too bad,
You're gonna miss the girl.
Go on and kiss the girl, yeah, yeah, ahh,
Haaaaa, kiss the girl.
Now ..flooding in a blue ..,

Boy you better do it soon,
When time it will be better,
She won't say a word,
she won't say a word until you kiss the girl.

Chorus:

Sha la la la, don't be scared you got to move, prepare, go on and kiss the girl
Sha la la la la, don't stop now, don't try it hide how you wanna kiss the girl.
Sha la la la la, flow alone, listen to the song, go on and kiss the girl
Music play, don't let the song to say kiss the girl.
Kiss the girl, you gotta, kiss the girl,
you gotta do it, kiss the girl, ohh

Chorus:

Sha la la la, don't be scared you got to move, prepare, go on and kiss the girl
Sha la la la la, don't stop now, don't try it hide how you wanna kiss the girl.
Sha la la la la, flow alone, listen to the song, go on and kiss the girl
Music play, don't let the song to say kiss the girl.
Yeah, yeah, yeah, yeah, yeah, yeah...
