

Sexual Healing

The Hot 8 Brass Band

Ooh, baby let's get down tonight
Baby I'm hot just like an oven
I need some lovin'
And baby, I can't hold it much longer
It's getting stronger and stronger
And when I get that feeling
I want sexual healing
Sexual healing, baby
Makes me feel so fine
Helps to relieve my mind Sexual healing baby, is good for me
Sexual healing is something that's good for me
Whenever blue tear drops are falling
And my emotional stability is leaving me
There is something I can do
I can get on the telephone and call you my baby, and
Honey I know you'll be there to relieve me
The love you give to me will free me
If you don't know the things you're dealing
I can tell you, darling, that it's sexual healing
