

# Where Is Your God

## Infernal Majesty

Ancient, mysteries, withstanding endless emptiness of time  
Wise men, preserving genocide, incorporating gospel with their lies  
No proof, of the King of Kings, disguising Holiness preserved in shrines  
Wide spread, search for truth, excavate ancestral tombs for life  
Can the scriptures all be true? Carvings, chiseled on the walls  
Does this prove, without a doubt? The existence, of the Deity?

WHERE IS YOUR GOD?

Chaos, over heaven, Satan punished, banished from the skies  
Branded, fallen angel, evil master torturing mankind  
Wayward, adversary, manipulating the weakest of the mind  
Satan, they cry out, release me from this everlasting fire  
Can the scriptures all be true? Carvings, chiseled on the walls  
Does this prove, without a doubt? The existence, of the Wicked One?

WHERE IS YOUR GOD?

Holy wars, destroying man, gazing to the heavens for a sign  
Annihilate, mother earth, devastate, endangering all divine  
Cancer, spreading wide, searching for the cure is infantile  
Conflict, eternal struggle, Prince of Darkness striving to survive  
Good nonexistent, without evil (WHERE IS YOUR GOD?)  
Infamous demon, forcing God's hand (WHERE IS YOUR GOD?)  
Satan rejoicing, as God struggles (WHERE IS YOUR GOD?)

More then, ever, we need, to know

IS THERE A GOD?
