Baby I Need Your Love (Extended Mix)

C.C. Catch

I had too much to dream babe
Let's do it again
That's what my baby made for
Baby, be my friend
When girls will stick together
They're talking about boys
What does it take to win your love
Don't wanna be your toyBaby, I need your love
Never give you up for an one-night shot
Baby, you are so hot
Never give you up for an one-night love
Meet me in another world, my baby
In a world, a world of love
Meet me in another world, and maybe
I'm not an one-night shot
Come step inside my rainbow
Deep in if you can
I'll give you all - I'll be your woman behind a man
Whenever you're away love
I make it through the night
What does it take to win your love
Oh babe, hold me tight
