

Headfirst for Halos [Live]

My Chemical Romance

Yeah!

Well let's go back to the middle of the day that starts it all
I can't begin to let you know just what I'm feeling
And now the red ones make me fly
And the blue ones help me fall
And I think I'll blow my brains against the ceiling
And as the fragments of my skull begin to fall
Fall on your tongue like pixie dust just think happy thoughts

And we'll fly home
We'll fly home
You and I
We'll fly home

Come on!

Well now I'm back in the middle of the day that starts it all.
I can't begin to let you know just what I'm feeling.
And now these red ones make me fly,
And the blue ones help me fall.
And I think I'll blow my brains against the ceiling.

And we'll fly home,
You and I,
We'll fly home.

Now honestly that's what I said to her, what I said to her

Think happy thoughts x8
Think c'mon... wooo!
