## Young Spirit

Aweee yeah

red rock woman  
you make my rocky world go round  
so beautiful my indian girl  
aw yeah  
you're one of a kind  
you will always be mine  
you're so fine

you make my rocky world go round  
ehhh ohhhhhh

red rock woman  
you make my rocky world go round  
so beautiful my indian girl
