Before the Storm (feat. Miley Cyrus)

[Jonas Brothers](#)

Miley:
I know this isnt what I wanted,
never thought it'd come this far,
just thinking back to where we started
And how we lost all that we are

Nick:
we were young & times were easy,
but i could see it's not the same.
i'm standing here but you don't see me,
i'd give it all for that to change.
and i dont want to lose her,
i dont want to let her go.

Chorus:
Miley:
Im standing out in the rain,
i need to know if its over,
cause I will leave you alone.

Nick:
flooded with all this pain,
knowing that i'll never hold her,
like i did before the storm

Nick:
and with every strike of lightning

Miley:
comes a memory that lasts

Niley:
not a word is left unspoken as the thunder starts to crash

Miley:
maybe i should give up

Chorus:
Miley:
Im standing out in the rain,

i need to know if its over,
cause I will leave you alone.

Nick:
flooded with all this pain,
knowing that i'll never hold her,
like i did before the storm

Miley:
trying to keep the light from going in

Niley:
and the clouds from ripping out my broken heart.
We always say a heart is not whole without the one who gets you through the storm.

Chorus:
Standing out in the rain, knowing that it's really over- please don't leave me alone
Flooded with all this pain, knowing that i'll never hold you, like I did before the storm
