

# Lazy Generation (Burnout 3 OST)

## The F-Ups

We are the lazy generation  
No more standing out in line  
So good at wasting our time We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go  
We are the lazy generation  
They call us social mutations, why?  
You can just drop dead and die Nothing we do ever seems to matter  
Just like shit on a silver platter shines  
Yeah, you know just where we stand Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now  
We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go  
Stand up and shout  
We won't be there for you  
Hey, hey, hey, hey, hey, hey, let's go  
We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
We are the lazy generation  
Now  
Now
