Philharmonic

Zeromancer

Sit down and watch me
I want you to see me
As your TV, as your TV
As your TV, as your TVTouched by your static
You see right, right through me
As your TV, as your TV
As your TV, as your TVWhat you hide is what you are
What it takes to be a star, come on
You say there's beauty in a scar
Now what a stupid thing you are, sometimesAfter you get what you want
You don't want it anymore
(Is that what you want?)
After you get what you want
You don't want it anymore
(Is that what you want?)After you get what you want
You don't want it anymore
(Is that what you want?)
After you get what you want
You don't want it anymoreSlow down, zoom in
Rewind, do you get the picture?
