

Como Ella Me Quiere A Mi

Marc Anthony

Girl I see how you're looking at me
And I must say you're looking sexy
But the truth is my baby has been good to me
Girl the way that you move's so tempting
Gotta say that I like what I see
But the truth is my baby has been good to me Friday, I saw you looking my way
I know that you've been wanting me
I can see it in the way you've been taunting me
Your eyes make it hard for me to walk away
When the truth is I want to stay
All I gotta say is girl there's just no way Girl I see how you're looking at me
And I must say you're looking sexy
But the truth is my baby has been good to me
Girl the way that you move's so tempting
Gotta say that I like what I see
But the truth is my baby has been good to me In my mind I've made love to you a thousand times
But that is where I draw the line
I could lose everything that it took so long to find
Let me be as clear as I could be
Though you do what you do to me
I gotta tell you girl there's just no way Girl I see how you're looking at me
And I must say you're looking sexy
But the truth is my baby has been good to me
Girl the way that you move's so tempting
Gotta say that I like what I see
But the truth is my baby has been good to me She's been good to me, she's the only one
Who ever really stood by me
She believes in me, she's the only one
Who ever took a chance on me
So girl there's just no way Girl I see how you're look
And I must say your look
But the truth is my baby has been good to me
Girl the way that you move
Gotta say that I like
But the truth is my baby has been good to me Girl I see how you're looking at me
And I must say you're looking sexy
But the truth is my baby has been good to me
Girl the way that you move's so tempting
Gotta say that I like what I see

But the truth is my baby has been good to me
Girl I see how you're looking at me
And I must say you're looking sexy
But the truth is my baby has been good to me
Girl the way that you move's so tempting
Gotta say that I like what I see
But the truth is my baby has been good to me
Girl I see how you're look
And I must say your look
But the truth is my baby has been good to me
Girl the way that you move
Gotta say that I like
But the truth is my baby has been good to me
Girl I see how you're looking at me
And I must say you're looking sexy
But the truth is my baby has been good to me
Girl the way that you move's so tempting
Gotta say that I like what I see
But the truth is my baby has been good to me
