She Was Too Good to Me

John Pizzarelli

She was too good to me
How can I get along now
Sop close she stood to me
Everything seems all wrong now
She would have brought me the sun
Making me smile that was her funIf I was mean to her
She would never say go away now
I was a king to her
Who's gonna light my way now
It's only natural, I'm so blue
She was too good to be trueShe was too good to me
How can I get along now
Sop close she stood to me
Everything seems all wrong now
She would have brought me the sun
Making me smile that was her funIf I was mean to her
She would never say go away now
I was a king to her
Who's gonna light my way now
It's only natural, I'm so blue
She was too good to be true
