

# Everybody Wants A Prize For Feeling

## Self Defense Family

I'm not good with depression  
So I put my mind to other things  
I'm not one for dark thoughts  
So I've already pawned our rings  
I'm not built to stay jealous  
So I'm happy that you're his  
I'm not much for bitter  
So I'll leave right after this I feel I stand no chance to win on appeal  
I'm not standing on ceremony  
So I'll keep it very plain  
I'm not keen to lose composure  
So I'll choke back any rage  
I'm easy to convince  
So I'm cutting off my ears  
I'm not trying to be told  
So I'll send you home in tears I feel I stand no chance to win on appeal  
I'm rather quick to trust  
So I'm choosing not to listen  
I'm one for second chances  
So 1.5 is all you're ever getting
