

# Woman To Woman

## Joe Cocker

Woman to woman  
(Woman to woman)  
Heartache to heartache  
(Heartache to heartache )  
Lover to lover  
(Lover to lover)  
Woman to woman  
(Woman to woman)  
Woman to woman  
Everything I say, everything that's happening  
Seems to come your way  
You don't care if it rains or shines  
Long as you know what's in goin' down  
At the local rodeo  
Woman to woman  
(Woman to woman)  
Heartache to heartache  
(Heartache to heartache )  
Lover to lover  
(Lover to lover)  
Woman to woman  
(Woman to woman)  
Lover to lover  
Well, I'm brown as brown can be  
Don't let it get on me  
You talk about money, honey  
And then you pray child  
But I don't wanna be alone no more  
Woman to woman  
(Woman to woman)  
Heartache to heartache  
(Heartache to heartache )  
Lover to lover  
(Lover to lover)  
Woman to woman  
(Woman to woman)  
Heartache to heartache  
Don't let it break so fast  
Think about all you have

And let it last  
I can't take no more teardrops from you  
But that don't give you no right to shout  
Woman to woman  
(Woman to woman)  
Heartache to heartache  
(Heartache to heartache )  
Lover to lover  
(Lover to lover)  
Woman to woman  
(Woman to woman)
