

# You Were Made for Me

[Sam Cooke](#)

A fish was made to swim in the ocean  
A boat was made to sail on the sea  
As sure as there are stars above, I know, I know  
You were made for me  
You were made for me A grape was made to grow on a vine  
An apple was made to grow on a tree  
As sure as there are stars above, I know, I know  
You were made for me We'll have our quarrels  
And you'll upset me, but  
What can I do?  
You've been mine ever since I met you  
And I'll never leave you  
No I'll never leave you As sure as there's a heaven up above me  
From you I know I'll never be free  
As sure as there are stars above, I know, I know  
You were made for me A fish was made to swim in the ocean  
A boat was made to sail on the sea  
As sure as there are stars above, I know, I know  
You were made for me  
You were made for me A grape was made to grow on a vine  
An apple, an apple was made to grow on a tree  
As sure as there are stars above, I know, I know  
You were made for me We'll have our quarrels  
And you'll upset me, but  
What can I do?  
You've been mine ever since I met you  
And I'll never, never, never, never, never, never leave you As sure as there's a heaven up above me  
From you I know I'll never be free, no no  
As sure as there are stars above, I know, I know  
You were made for me
