

# Something About Faith (Intro)

## Faith Evans

I don't know what it is about you...There's something about faith  
But i know what it is about you....There's something about faith  
Something very special, something so magical.....what it is  
All i need is a little bit of you....i'll make it through  
All i need is, All i need is, All i need is a little  
All i need is, All i need is a little...There's something about faith  
All you need is faith.....all I need is a little bit of faith.  
All you need is faith.... That's all, that's all you need  
All you need.
