You (Without Organ Version)

Plus One

Me, it was always all about me
My job, my plans, my time was all I cared about
Myself, I only needed myself
To get me through my life
Then suddenly I found thatI want, I need, I crave, I breathe
I feel, I hold, I dream, I know
I trust, I love YouLife, I'm just discovering life
How magical it is because of all You are, oh yeah
These days I wake up and I'm amazed
How much I want to give
Since You've touched my heartI want, I need, I crave, I breathe
I feel, I hold, I dream, I know
I trust, I love YouIt wasn't luck, it wasn't fate
There's just one reason my world's changed
One reason my world has changed, it was YouI want, I need, I crave, I breathe
I feel, I hold, I dream, I know
I trust, I love YouI want, I need, I crave, I breathe
I feel, I hold, I dream, I knowI want, I need, I crave, I breathe
I feel, I hold, I dream and I know that it's YouI know, I know, gotta be You, its gotta be You
I know, I know, gotta be You, its gotta be You
I know, I know, gotta be You, I know it's You
