

# Gay Rude Boys Unite

## LeftoI^ver Crack

Unity! HA! yer such a saint today  
you may be anti racist but then you're anti gay  
you may be ignorant from a lack of education  
but if it's sympathy you see you seek  
you better turn to another stationIntolerant society rears it's ugly face  
you're turning your native music into a homophobic disgrace  
the gay ones, the straight ones, the white tan yellow and black  
gay rude boys and girls, we're gonna take that dancehall back  
we'll take it back!  
because without respect there's gonna be nothing leftThis double standard just won't sit that well with me  
I come to say this and it's just the way it has to be  
you know i'm not PC i'll shoot your kid at school  
"cause he's gonna grow up to be a fucking asshole just like you  
you can celebrate your unity till every gay is dead  
but why don't you stop your fronting with real unity instead  
and on a better dime on this shitty little globe  
we would crucify the racists and be bashing all the homophobesIntolerant society rears it's ugly face  
you're turning your hardcore music into a homophobic disgrace  
the gay ones, the straight ones, the white tan yellow and black  
gay rude boys and girls, we're gonna take that dancehall back  
we'll take it back, we'll take it back  
because without respect there's gonna be nothing left
