The Best Deceptions

Dashboard Confessional

I heard about your trip
I heard about your souvenirs
I heard about the cool breeze and the cool nights
And the cool guys that you spent them with
I guess I should have heard of them from you
I guess I should have heard of them from you
Don't you see, don't you see
That the charade is over?
And all the best deceptions and the
Clever cover story awards go to you
So kiss me hard
'Cause this will be the last time that I let you
You will be back someday
And this awkward kiss that tells of other people's lips
Will be of service to giving you away
I heard about your regrets
I heard that you were feeling sorry
I heard from someone that you wished you could
Set things right between us
Well, I guess I should have heard of that from you
I guess I should have heard of that from you
Well don't you see, don't you see
That the charade is over?
And all the best deceptions and the
Clever cover story awards go to you
So kiss me hard
'Cause this will be the last time that I let you
You will be back someday
And this awkward kiss that screams of other people's lips
Will be of service to giving you away
I'm waiting for blood to flow to my fingers
I'll be alright when my hands get warm
Ignoring the phone, I'd rather say nothing
I'd rather you never heard my voice
You're calling too late, too late to be gracious
You do not warrant long goodbyes
You're calling too late
You're calling too late
You're calling too late
