

# Ordinary Man

Alvin Lee

I've been working day and night, tryin' to make it all come right  
I've been giving it my best, ain't no time to take a rest  
Just an ordinary man, and I keep doing what I can Nobody can say I'm doing wrong - honey, I'm just trying to  
get a long  
Just an ordinary man,  
Just an ordinary man I've been keeping things in line, I've been using all my time  
Ain't no time for fooling 'round, 'cause there's too much going down  
Well, the money's getting thin - I got to keep it coming in I'm an ordinary man and I'm doing what I can  
Got to keep on pushing,  
Lord, I'm just an ordinary man I've been working day and night, tryin' to make it all come right  
I've been giving it my best, ain't no time to take a rest  
Just an ordinary man, and I keep doing what I can  
Nobody can say I'm doing wrong - honey, I'm just trying to get a long  
Just an ordinary man, just an ordinary man  
Just an ordinary man, just an ordinary man.
