

I Am Your Cup

Aaron Gillespie

Here I am
I'm looking for a place to hide
Here's my soul
Broken and needing a home
I need You
Will You come in I am Your cup
Come fill me with love
My heart's in Your hands
It's broken for You
Oh Lord Here I am
I found a safe place to hide
In Your arms
My soul has found a home
I love You
I'll let the whole world know I am Your cup
Come fill me with love
My heart's in Your hands
It's broken for You
Oh Lord
It's broken for You
Oh Lord With hands lifted High
I'll bless your name
With our hearts full of love
We will sing Your grace I am Your cup
Come fill me with love
My heart's in Your hands
It's broken for You
Oh Lord I am Your cup
Come fill me with love
My heart's in Your hands
It's broken for You
Oh Lord
It's broken for You
Oh Lord
It's broken for You
Oh Lord
