Aquarius

Within Temptation

I hear your whispers break the silence
And it calms me down
Your taste on my lips
Your salty kissesThey say, I'm seeking out the danger
That one day you won't let me go
(I'll drown, you'll take me down)I need you, Aquarius
Enchanted, I will have to stay
I feel you, Aquarius
'Cause you the sea, set me free
You call to me, Aquarius
(You call to me, you set me free)I relinquish to your powers
From your grasp, I just can't hide
Mr. Danger, I had to conquer
You made me feel aliveThey say, I have to be aware
That one day you won't let me go
(I'll drown, you'll take me down)I need you, Aquarius
Enchanted I will have to stay
I feel you, Aquarius
'Cause you the sea set me free
You call to me AquariusI long for you, Aquarius
I need to be with you again
I fear you, Aquarius
My destiny 'til the endI need you, Aquarius
Enchanted, I will have to stay
I feel you, Aquarius
'Cause you the sea set me free
