

Too Safe

Alpine

Want to sail
Way away
Across this big water
Feeling sick
Of this land

Need a ChandonYou're shit, you make me want to look at others

Right now, you really want to make me scream

I think I'm falling out of love now

I feel too safe with you

I feel too safe with youWant to sail

Way away

Across this big water

Feeling sick

Of this land

Need a ChandonYou're shit, you make me want to look at others

Right now, you really want to make me scream

I think I'm falling out of love now

I feel too safe with you

I feel too safe with you
