

I Promise

Jaci Velasquez

Lord, You know my heart
And all my desires
And the secret things I'll never tell
Lord, You know them well Though I may be young
I see and understand
That at times, like sheep, we go astray
And things get out of hand So I promise to be true to You
To live my life in purity, as unto You
Waiting for the day, when I hear You say
"Here is the one I have created just for you" Until then, O Lord
I will be content
Knowing that true love will come someday
It will only come from You 'Cause I have seen the suffering
That loneliness can cause
When we choose to give our love away
Without a righteous cause So I promise to be true to You
To live my life in purity as unto You
Waiting for the day, when I hear You say
"Here is the one I have created just for you"
