

World War III (Teen Choice Awards 2009)

Jonas Brothers

Yeah!
The time you walked into the bedroom
You were visibly upset
Telling me I made a bad move
But I didn't do nothing
Start screaming wake the neighbors
Now everybody's out for blood
I didn't want no confrontation
Because of you that's what I've got
Well you gotta chill out
Cause baby I don't wanna fight with you
And every battle we've fought
Just make us look like fools No you cant have World War III
If there's only one side fighting
And you know
Whoa oh
That there's lessons left to learn
Every time you attack
It doesn't drive me to fight you back
And then I know
Whoa oh
That I'll never let it be World War III World War III
Let me tell 'em Now your rounding up your army
Getting all your troops on me
Telling lies just to feel happy
But i wont retaliate
No No you cant have World War III
If there's only one side fighting
And you know
Whoa oh
That there's lessons left to learn
Every time you attack
It doesn't drive me to fight you back
And then I know
Whoa oh
That I'll never let it be World War III Well you got to chill out
Cause baby i don't want to fight with you
and battle we fought just make us look like fools No you cant have World War III
If there's only one side fighting

And you know
Whoa oh
That there's lessons left to learn
Every time you attack
It doesn't drive me to fight you back
And then I know
Whoa oh
That I'll never let it be World War III Not gonna be World War III Every time you attack
It doesn't drive me to fight you back
And I know
Whoa oh
That I'll never let it be World War III World War III
