

Tweak Your Nipple

Faithless

Welcome once again to the ceremony
Briefly, this is my testimony
I see genius in everybody
To perceive it in yourself is the difficulty
Where you come from really makes no difference to me
Whether country or just a lonely city
Like a lotus, you possess the ability
To produce flower and fruit simultaneously
So drop your pebble in the mainstream, start a ripple
It'll buzz you like a tweak on your nipple
Tickle your sensibilities, speak just a little
The words have enough weight to turn rock to metal
So drop your pebble in the mainstream, start a ripple
It'll buzz you like a tweak on your nipple
Tickle your sensibilities, speak just a little
The words have enough weight to turn rock to metal
I see genius in everybody
To perceive it in yourself is the difficulty
But your individuality overflows with quality
It manifests solidly if you believe
A rich creativity, fever pitch energy
And crazy synchronicity if you believe
So drop your pebble in the mainstream, start a ripple
It'll buzz you like a tweak on your nipple
Tickle your sensibilities, speak just a little
The words have enough weight to turn rock to metal
So drop your pebble in the mainstream, start a ripple
It'll buzz you like a tweak on your nipple
Tickle your sensibilities, speak just a little
The words have enough weight to turn rock to metal
