Now tell me little miss thang
Dale(Pre-Chorus 1)
When I saw her
Walking down the street
She looked so fine
I just had to speak(Pre-Chorus 2)
I asked her name
But she turned away
As she walked
All that I could say was(Chorus x2)
Mmm Mmm yeah yeah
Mmm Mmm yeah yeah
Mmm Mmm yeah yeah
All that I could say was(Verse)
Rock' n' roll one time, we'll make it up as we go
I know you feel it cus I mean what I said said said said
We can do whatever, do whatever we want
When she walk past me I say hey hey hey hey...(Bridge)
All that
So tell me where you're from, where you wanna go
She walked pass me like I ain't say a word
Stood there like man
Girl, I don't usually feel some type of way
But this one hit me hard in some kind of place
Like man..(Pre-Chorus 1)
When I saw her

Six inch heels clickin up and down the street
You know she's comin and then she walks away way way way
I'm a big big deal, a little fun's all I need
But I can tell she don't believe what I said said said said said(Bridge)
So tell me where you're from, where you wanna go
She walked pass me like I ain't say a word
Stood there like man
Girl I don't usually feel some type of way
But this one hit me hard in some kind of place
Like man..(Pre-Chorus 1)
When I saw her
Walking down the street
She looked so fine
I just had to speak(Pre-Chorus 2)
I asked her name
But she turned away
As she walked
All that I could say was(Chorus x2)
Mmm Mmm yeah yeah
Mmm Mmm yeah yeah
Mmm Mmm yeah yeah
All that I could say was(Verse)
Mmm Mmm yeah yeah
She looks so good but she bad bad
You can see that back from the front front
booty like kriss kross, jump jump
Meet me in the middle of the ocean, we can find ourselves and lose minds.. rewind
Wawawawa play
Find ourselves and lose our minds today
Austin M, Armando, acabando latinos y gringos gozando me entiendes
For those that thought that we would stop
definitely don't have a mind to think with, brainless
Most of them broke but they're famous
Some got hitched but they're nameless
But mammita, forget about that
When I see you
All that I could say was(Chorus x4)
Mmm Mmm yeah yeah
Mmm Mmm yeah yeah
Mmm Mmm yeah yeah
All that I could say was
