

Laughing Pain

Front Line Assembly

"Had a bad childhood? We can fix it.
Re-sculpt your memory, shorten your perception of. Why not?" "Oh my God!" "Feeling like a ?
Severing from this realm of life
The enemy is on your back
An? implanted form
? justify" "Helpless" "The enemy is ?
?
The angels ?
? crashes through the cell
Democracy self-destructs
? fallen cause
Its time to pay them back" "They shoot him"
"Where?"
"In the lung"
"? in the resurrection" "In their eyes
Perception appears
Broken force
Scratches their faith
Crippled hysteria
The laughing pain? affects the realm of hope
And ? our self-conviction
We heal your faith
With chemicals,
You help the victims
? affects warnings
The best of two evils" "The gunmen had picked their victim completely at random"
"They were attempting to increase and spread the terror"
