Warm Blood

Flor

Your shoulder
bare and staring me down now
but don't mean i can't learnwait for me i'll be coming slower down
wait for me i'll be comingyou're fire, but sweet
warm blood, body
and i lost it
when you found me
you're whispers 'n sunlight
cold holds feeling for mine
warm love, softlysafe and sound here in our world
and i'll stay here in all to
get to know you
but really know youwait for me i'll be coming slower down
wait for me i'll be comingyou're fire, but sweet
warm blood, body
and i lost it
when you found meyou're whispers 'n sunlight
cold holds feeling for mine
warm love, softly
you're fire, but sweet
warm blood, body
and i lost it
when you found meyou're whispers 'n sunlight
cold holds feeling for mine
warm love, softly
