Verona Lung

The Dirty Nil

You're leadin' me on
Come alive and run amok
You're my viral
Sugar gal
Verona lung
Corrode my tongue
And be on my side babe
Ain't no way your love ain't just a grinnin' facade
The fields we run in shade or sun
And swear that none could take our fun
But I've been talking to the trees
Conversing with the bees
Girl, they all say the same thing
And ain't no way your love ain't just a grinnin' facade
