

My Evil Twin

Avid

"My Evil Twin"- Neriah/ Avid- Altered States- Jetspeed Records- 2005From one altered ego

to another one's fantasy

and yet how should we know?

I confess that it wasn't me

So if you hear no, speak no, see no good

just don't be misunderstood

and if two wrong's don't make it right

keep this thought in mind-It wasn't me, it wasn't me, it wasn't me

it was my split personality

It wasn't me

it's just my split personality, split personalityTalk of the devil

which is the lessor of the evil two?

put two and two together

so what's an evil twin supposed to do?

So if you hear no, speak no, see no good

just don't be misunderstood

and if two wrong's don't make a right

keep this thought in mind-It wasn't me, it wasn't me, or could it be?

must be my split personality

It wasn't me

it's just my split personality, split personalityMy evil TwinI didn't do it, didn't do it, didn't do it

it wasn't me, wasn't me, wasn't meIt wasn't me, it wasn't me, how could it be?

must be my split personality

It wasn't me

it's just my split personality's split personality
