

Duvet (OST Lain - Serial Experiments, OP)

Boa

And you don't seem to understand
A shame, you seemed an honest man
And all the fears you hold so dear
Will turn to whisper in your ear And you know what they say, I might hurt you
And you know that it means so much
And you don't even feel a thing I am falling, I am fading
I have lost it all And you don't seem the lying kind
A shame that I can read your mind
And all the things that I read there
Candle-lit smile that we both share And you know I don't mean to hurt you
But you know that it means so much
And you don't even feel a thing I am falling, I am fading
I am drowning, help me to breathe
I am hurting, I have lost it all
I am loosing, help me to breathe I am falling, I am fading
I am drowning, help me to breathe
I am hurting, I have lost it all
I am loosing, help me to breathe I am falling, I am fading
I am drowning, help me to breathe
I am hurting, I have lost it all
I am loosing, help me to breathe
