Oi! Toy

Devotchkas

Knew you from school- Over seven years
Never heard of nothing- Graduated Student-Council queer
Now you wanna hang
Got a skinhead boy to show all her friends
She's an Oi! ToyOi! Toy, Oi! Toy
You never knew shit
Oi! Toy, Oi! Toy
When you gonna quit?Wears Fred Perry's and flight patches too
Doc Marten boots instead of her old trendy shoes
Kisses ass to hang with the girls at the shows
All the Oi music she thinks she knows
High School talk shit is her game
Thinking that her lies will gain her fameOi! toy, Oi! toy
Never knew shit
Oi! toy, Oi! toy
When you gonna quitShe's an Oi! Toy, Oi! toy
Never knew shit
Oi! toy, Oi! toy
Better wise up or you're gonna get hit
