Gotta Let Me Go

Jimi Blue

I know you've been waiting for my call
I say I'm getting back at you and
I know we haven't spoken at all
I had some days to think it through
Well I've been waiting just to hear your voice
Tell me what am I to do and
Finally, you dare to come closer
While I'm moving away from youLet me go, let me go, let me go
Don't you know, don't you know, don't you know
{don't you know} let it go, let it go, let it go
I guess this romance is overYou gotta let me go
You got me waiting much too long
You gotta let me go,
You, you gotta let me go
You gotta let me go
You got me waiting much too long
You gotta let me go
Girl, girl you gotta let me goI can't understand what you're asking
I always try to make you feel right
I try to make you feel what I feel to
But you don't wanna have the real round
But you don't wanna let it go, no
And you don't wanna be alone, no
You don't wanna let it go, no
You don't wanna be alone, noLet me go, let me go, let me go {let me go}
Don't you know, don't you know, don't you know
{don't you know} let it go, let it go, let it go
I guess this romance is overYou gotta let me go
You got me waiting much too long
You gotta let me go,
You, you gotta let me go
You gotta let me go
You got me waiting much too long
You gotta let me go
Girl, girl you gotta let me goGotta let me go, go
I think it is over, so girlYou gotta let me go
You got me waiting much too long
You gotta let me go,
You, you gotta let me go

You gotta let me go
You got me waiting much too long
You gotta let me go
Girl, girl you gotta let me go
You gotta let me go
