

# Soldier of Love

Kenny Rogers

I am only one of those who care  
Who care about the faith of love  
I know there's many others just like me  
I know they two have had enough Of these heart's doin' battle on the front line  
Love's got no heroes in these modern times  
What love needs is a defender  
Oh, I am a soldier of love I see it in your eyes you felt the heat  
There was a time when you believed  
Love is the only way to make it through  
Or be another casualty From the heart's doin' battle on the front line  
Love's got no heroes in these modern times  
What love needs is a defender  
Oh, I am a soldier of love, oh, I am a soldier of love I am a soldier, I am a soldier of love  
I am a soldier, I am a soldier of love Heart's doin' battle on the front line  
Love's got no heroes in these modern times  
What love needs is a defender  
Oh, I am a soldier of love I am a soldier Heart's doin' battle on the front line  
Love's got no heroes in these modern times  
What love needs is a defender  
Oh, I am a soldier of love
