Caramel

Lloyd

[Chorus]
Caramel (ooh)
Dripping in my bed
Yeah you know, what's going through my head
I'm thinking bout, getting with you tonight
I'm thinking bout, wifing you up for life
Caramel (ooh)
Dripping in my bed
Yeah you know, what's going through my head
I'm thinking bout, getting with you tonight
I'm thinking bout, wifing you up for life
[Verse 1]
She like five-five
Grew up on the East Side
She a college girl but she like the hood type
She the only drug, I need to get my mind right
I don't got to ask, she said that it's all mine
Had a boyfriend when I met her
But he a lame so you know I had to get her
Had to let go of my old things for her
But I don't mind
Cause she bad, yeah she hella fine
[Chorus]
Caramel (ooh)
Dripping in my bed
Yeah you know, what's going through my head
I'm thinking bout, getting with you tonight
I'm thinking bout, wifing you up for life
Caramel (ooh)
Dripping in my bed (dripping in my bed)
Yeah you know, what's going through my head
I'm thinking bout, getting with you tonight
I'm thinking bout, wifing you up for life[Verse 2]
She drippin, drippin, drippin, drippin, drippin
Like a leaky faucet
Know she got me trippin, how she grip it
Damn it I done lost it
No more yola whippin, soda sippin, pimpin, trickin, flossin
Only mission is to find the right position for her body

Scottie Pippen, Michael Jordan
How she compliment my ballin
Jason Whitman tunnel vision
She gon catch it when I toss it
Met in ATL and I brought her to New Orleans
We go together well like we caramel and chocolate[Chorus]
Caramel (ooh)
Dripping in my bed
Yeah you know, what's going through my head
I'm thinking bout, getting with you tonight
I'm thinking bout, wifing you up for life
Caramel (ooh)
Dripping in my bed (dripping in my bed)
Yeah you know, what's going through my head
I'm thinking bout, getting with you tonight
I'm thinking bout, wifing you up for life
