

If I Could Only Flag Her Down

ZZ Top

I don't need her money
I don't need a ride
I got enough connections
I don't need a piece of her hide I just wanna please her
I just wanna squeeze her
I just wanna crash her
I just wanna trash her If I could only flag her down
If I could only flag her down Well, it's not because of her beauty
And her brand new low cut blouse
It's not because she's so snooty
Or a fine famed millionaire It's not 'cause she's in motion
In a brand new Cadillac car
It's not because of her lotion
She's a real sweet candy bar I just want to meet her
I just want to squeeze her
I just want to crash her
I just want to trash her If I could only flag her down
If I could only flag her down
