Fell to Pieces (With Hidden Tracks)

Squirrel Nut Zippers

Out with my true love on a holiday
She took to pass
The time away
Under an umbrella, we pass the day
Like two robins under the cable
One for tomorrow, dedicated to you
One for another and that may do
Well after we cried
We thought we had died
We both fell to pieces
We both fell to pieces
We both fell to pieces
Out in the pasture
I lost my shoe
You dropped your bonnet
Your petticoat too
Got caught in the rain
But we did not care
So and on so and on so and on
One for tomorrow, dedicated to you
One for another and that may do
Well after we cried
We thought we had died
We both fell to pieces
We both fell to pieces
We both fell to pieces
Out with my true love on a holiday
She took to pass
The time away
Under an umbrella, we pass the day
Like two robins under the cable
One for tomorrow, dedicated to you
One for another and that may do
Well after we cried
We thought we had died
We both fell to pieces
We both fell to pieces
We both fell to pieces
