

Why

Donny Osmond

I'll never let you go, why 'cause I love you
I'll always love you so, why 'cause you love me
No broken hearts for us, 'cause we love each other
And with our faith and trust, there could be no other
Why 'cause I love you
Why 'cause you love me
And I think you're awfully sweet, why 'cause I love you
You say I'm your special treat, why 'cause you love me
We found the perfect love yes, a love that's yours and mine
I love you and you love me all the time
Yes, I love you
You love me
We found the perfect love
Yes, a love that's yours and mine
I love you and you love me
I love you and baby, you love me
We'll love each other, dear, forever
I love you
You love me, baby
Why 'cause I love you, yes I do
