

# You Are the Love of My Life

George Benson

You Are The Love Of My Life

I knew it right from the start

The moment I looked at you

You found a place in my heart

You Are The Love Of My Life

You give me reason to live You taught me how to be strong

With you is where I belong No one's ever touched me

Quite the way you touched me

People search a life time To find what we have

You Are The Love Of My Life

One thing that's good in this life

I'll spend the rest of my days

Just loving you

You Are The Love Of My Life

The heart and sould of my life

Once I was lost and alone

With you at last I am home

You Are The Love Of My Life

You give me reason to live

You give me so much of you

And leave me room to be free

No one's ever touched me

Quite the way you touched me

People search a life time

To find what we have

You Are The Love Of My Life

One thing that's good in this life

And in a world full of change

One thing I'm sure of

You Are The Love Of My Life

The one thing that makes sense in this world

I'll spend the rest of my days

Just loving you...

You Are The Love Of My Life

And I thank GOD I'm alive

To spend my lifetime with you

You Are The Love Of My Life
