

Wings of Vengeance

Virgin Steele

[ERINYES:]

Cold the Blood of an Angel, cold the Blood in my Heart

Never stand between us or lose the Mystic Art[APOLLO:]

Die cursing the Shadows, die cursing the Light

Everything is changing except the Will to Fight[APOLLO TO ORESTES:]

By the Rising of the Sun, you will understand this Night

In the Land where your Father died[ORESTES:]

Into the Mighty Arms of Death

Into the Darkness we fall

Into the Mighty Arms of Death

Into the Darkness we fall[ORESTES:]

Cold the Blood of an Angel, cold the Blood of the Sky

Everything is Fated, the Gods to me won't lie

Die cursing the Shadows, die cursing the Light

Everything is wasted, except the Will to Fight[APOLLO & ELEKTRA:]

By the Rising of the Sun, you will understand this Night

In the Land where your Father died[ORESTES, ELEKTRA & CHORUS OF SLAVES:]

Into the Mighty Arms of Death

Into the Darkness we fall

Into the Mighty Arms of Death

Into the Darkness we fall... Spirit.... Avenge... Fury... Face the Flames...[APOLLO & CHORUS:]

Come forth rise, take off your chains and fly into the Sky

Stake the Viper, Kill in turn

Fly, make an Oath to the Sky

Win your Kingdom, win the Fame of a God!!![ERINYES:]

Cold the Blood of an Angel, cold the Blood in my Heart

Everything is Raging, the Damned will choose their Mark[APOLLO:]

Kill, Kill without warning, run the Blood of the Free

Fear lives on a Mountain and Ravages our Dreams

By the Rising of the Sun, you will understand this Night of Fire[CHORUS:]

Into the Mighty Arms of Death

To the Sky we never left

Uncertain Hero you'll win the Day

Violent accounting, Fortune's array![ORESTES & CHORUS:]

Into the Mighty Arms of Death

Into the Darkness we fall

Into the Mighty Arms of Death

Into the Darkness we fall... we fall... we fall...

In Darkness.... Descend!
