

# Crashed the Wedding

## Busted

I'm so rushed off my feet  
(Oh oh)  
Looking for Gorden Street  
So much I need to say  
Im sorry that its on her wedding day 'Cause shes so right for me  
(Oh oh)  
Her daddy disagrees, hes always hated me  
'Cause I never got, a J O B  
'Cause shes mine And Im glad, I crashed the wedding  
It's better than regretting, I could have been a loser kid  
And ran away and hid but it's the best thing I ever did  
'Cause it's true love that lasts forever  
And now were back together  
As if he never met her so looking back  
I'm glad, I crashed the wedding The neighbors spread the word  
(Damn)  
My mom cried when she heard  
I stole my girl away from everybody gathered there that day  
And, just in time And Im glad, I crashed the wedding  
It's better than regretting, I could have been a loser kid  
And ran away and hid, I said I'd do it and I did  
'Cause it's true love that lasts forever  
And now were back together  
As if he never met her so looking back  
I'm glad, I crashed the wedding So please stop being  
Mad at me for taking her away  
'Cause anyway she didn't want to stay  
So please believe me when I say Shes glad, I crashed the wedding  
It's better than regretting  
The ring she got was lame, she couldn't take the pain  
She didn't want a silly second name  
'Cause true love lasts forever  
(True love lasts)  
And now were back together  
You might as well forget her and walk away Shes glad, I crashed the wedding  
(Back together)  
It's better than regretting  
(It's better than regretting)  
The ring she got was lame

She couldn't take the pain  
She didn't want a silly second name  
(No no no no)'Cause true love lasts forever  
(True love lasts)  
And now we're back together  
You might as well forget her and walk away  
She's glad, I crashed the wedding
