Cat People Dub

Waldeck

See these eyes so green
I can stare for a thousand years
Colder than the moon
It's been so longAnd I've been putting out off the fire
With gasolineSee these eyes so red
Red light jungle burning bright
Those who feel me near
Pull the blinds and change their minds
It's been so longAnd I've been putting out off the fire
With gasolinePutting out off the fire
With gasolineSee these tears so blue
An ageless heart that can never mend
