No One Else

Hurray For The Riff Raff

I don't want no one else but you
I don't want no one else but you
Tell me baby, can it be true
That you would want nobody else tooTell your baby just what you're putting down
Tell your baby just what you're putting down
I'm getting tired of all this hanging around
It's lookin' like you're putting me downIf you hear me calling on the telephone
If you hear me calling on the telephone
Why won't you answer
You know I'm all alone
I think it's time you come on back home
I don't want no one else but you
I don't want no one else but you
Tell me baby, can it be true
That you would want nobody else too
