

Witch Hunt

Misfits

Wipe out the weak and dying
I've got no use for you
Sent from Hell, I know they're lying
Just another sacrifice We are on a witch hunt
Hunt her down for, will she sink or float?
We want independence from her spell. Exterminate the undetermined
I've got no use for you
Sent from Hell, I know they're lying
Hang her by her neck to die We are on a witch hunt
Hunt her down for, will she sink or float?
We want independence from her spell. We're on a head hunt
We're on a blood hunt
We're on a witch hunt
and we're gonna get you
We're coming after you too We're on a witch hunt
We're on a witch hunt We are on a witch hunt
Hunt her down for, will she sink or float?
We want independence from her spell. Were under a spell
We're on a head hunt
We're on a blood hunt
We're on a witch hunt
and we're gonna get you
We're coming after you
