## Honeyblood

someone told you before  
that love is a great big bore  
when youv'e had your heart stomped  
that kind of advice means a lot  
and no matter what I do I'm dying to tell you  
cynics never fall in love  
they just blame it on luckbut yooooou don't know whats  
good for you what's good for you  
no yooooou don't know nowyou say your'e misunderstood  
you can't break the cryptic code  
I saw you from across the room  
you never looked so bored in your gloom  
and no matter what I do you wont be pursued  
your mind wandered way up the street  
wonder who its gonna meet a aaaaabut yooooou don't know whats  
good for you whats good for you  
no yooooou don't know whats good for you whats good for you nanananananaaa ooh ooh ooh ooh ooh
