

Exsanguination

[AFI](#)

Welcome the whole new pain
And take comfort in what you've become
I waved as I passed myself along the way I have arrived so unashamed
But my reflection no longer seems the same
It seems much dimmer now, it seems so dim Just stumble and fall into a world that's over crowded
And you will find me, won't recognize me
I won't recognize myself I've arrived so unashamed
But all my senses no longer seem the same
I can sense everything, my sight's so clear Just stumble and fall into a world that's over crowded
And you will find me, won't recognize me
I won't recognize myself In an instant my life just slipped away
I fought for life the whole time you were holding me down
You watched me dying holding me down You brought my rebirth holding me down
You watched me dying holding me down
You brought my rebirth Just stumble and fall into a world that's over crowded
And you will find me, won't recognize me
I won't recognize myself
