# The Strong One

## Mila Mason

I know you well and I believe
You've got the strength to do most
Anything and every time, I'm in your arms
I know I'm somewhere that's safe from harm butYou don't have to be the strong one all the time
Let me be the one you lean on, ease your mind
It's not you against the world all alone
I'm here by your sideYou don't have to be the strong one every day
Let me do my part, don't carry all the weight
Just remember you've got me
You don't always have to be the strong oneYou hide your pain so well from view
But that's one thing that you don't have to do
You cry inside where no one sees
I'll dry those tears if you just let meYou don't have to be the strong one all the time
Let me be the one you lean on, ease your mind
It's not you against the world all alone
I'm here by your sideYou don't have to be the strong one every day
Let me do my part, don't carry all the weight
Just remember you've got me
You don't always have to be the strong oneJust remember you've got me
You don't always have to be the strong one
