

Stinking Drunk

Big Black

Go! Been so long Forgot what it's like Like swimming, like sex, like a kick in the bag. Like a fistfight Think it's time got stinking drunk Think it's time Been so long What brought me to this? Been so long Forgot what it's like Like fighting, like sex, like a kick in the bag. Think it's time got stinking drunk Think it's time You shut up! Go! Get drunk, get drunk, get drunk Get drunk, get drunk, get drunk Get drunk, get drunk, get drunk Get drunk, get drunk, get drunk Get drunk, get drunk, get drunk Get drunk, get drunk, stinking drunk
